

Hemingbrough Parish Council Public Notice Re Bus Service 4

Bus Service Number 4 was discontinued by Arriva on the 31st August 2020. Prior to this Hemingbrough Parish Council were in discussions with Arriva, Barlby & Osgodby Town Council and Cliffe Parish Council in an effort to save the buses.

Unfortunately these discussions failed because the buses were not paying their way due to a lack of patronage and that the subsidy provided by East Yorkshire Council had been withdrawn.

The Councils have continued discussions with Arriva and produced a temporary timetable for a trial bus service for three months, starting on Monday 5th October 2020 until 3rd January 2021.

You will see from the timetable that there are only two buses per day one in the morning and one in the afternoon, five days per week Monday to Friday inclusive. These buses come at a cost of £82 per day equally paid for by all the three Councils.

The Councils can only subsidise the buses for this period of time owing to their own financial constraints and regulations.

If sufficient fares could be generated by the use of the buses Arriva may reconsider the takeover and running of them.
